

BRAD SHERMAN

OFFLINE EDITOR | BRISTOL | REMOTE

brad_sherman@outlook.com | 07929540259

A creative, versatile and organized editor with a passion for storytelling and a proactive nature. I have a good ear for music and a keen eye for pace and nuance. I've worked on BAFTA and RTS award winning Factual Entertainment, Fixed Rig, Daytime and Obs Doc for all major broadcasters. I'm calm under pressure, approachable, and a problem solver. Equally at home as part of a creative team with a producer as I am working alone, with a demonstrated ability to write commentary and create compelling stories.

"Brad is a great editor; quick, clear minded and easy company in a small room. He will cut to script or have his own opinion on a good way to tell a story. He has an interest in music in his spare time and it shows. I highly recommend working with Brad if you can". -
Maddie Eaton, Producer, TwoFour
