<https://www.thetalentmanager.com/talent/192679/james-bickersteth>

Offline Editor with over 20 years' experience in broadcast television, delivering premium observational, natural history, adventure and specialist factual documentaries.

Highly proficient in Avid Media Composer and Adobe Premiere Pro, with regular use of DaVinci Resolve, After Effects and Photoshop.

Experienced across formats and genres, from short-form trailers to 90-minute feature-length programmes, with a proven track record as lead editor on several recommissioned series.
