An offline and online editor with over 20 years of professional broadcast TV experience making programmes for ITV, Sky, Channel 4, BBC, YouTube, Warner Bros/Discovery and DAZN. Expert in Avid and Adobe Premiere Pro, I've also worked across high profile brands such as Game of Thrones and the English Football Premier League.

I enjoy developing relationships with clients that go beyond simply being a button pusher and aim to bring something special to the projects I work on. My past experience as an edit producer means I bring a unique and valuable set of skills to a project, a particular understanding of the 'other side' of the edit suite and a varied knowledge of post-production workflows. I have managed and trained edit teams at various companies and am also expert in Adobe After Effects.

Experienced in short form, promotional and long form programming, I strive to create visually unique and powerful content.
