PHILIPPA EDWARDS

FREELANCE OFFLINE EDITOR

m: +44 7902 391457 e: philippa.edwards93@gmail.com

PROFILE

I am a freelance offline editor based in Bristol. I have experience working on feature documentaries and long-form natural history and environmental/conservation for broadcast, streaming and theatrical release, as well as short form documentaries and social content. I have a particular interest in telling emotive human and wildlife stories and narratives that focus on the natural world and our impact upon it.

HOME: Africa (Editor)
BBC & National Geographic - 2025/6
Episode 7 of HOME Africa series - 'Africa's Wild Future'

Feature documentary under NDA (Editor)
Silverback Films & Netflix - 2025

OCEAN with David Attenborough (Editor)
Silverback Films & Open Planet Studios - Global Theatrical Release / Disney+ National Geographic - 2025
Feature documentary highlighting the wonders of the ocean, its importance to communities and individuals across the world, its vulnerability due to our actions and ultimately focusing on its ability to recover.

Hamza's Hidden Wild Isles (Editor)
Silverback Films for BBC1 - 2024
Hamza Yassin reveals hidden wildlife gems from across the UK.

Parenthood (Editor)
Silverback Films for BBC1 - 2024
Natural History series following the lengths animal parents go to to give their young a head-start in life.

Disneynature: Sea Lions of the Galapagos (Additional Editor)
Silverback Films for Disney+ - 2024
Creating assemblies of sequences prior to the edit start date to inform pick ups during continued shooting and to prep sequences for the editor.

Hamza's Birds of Prey (Editor)
Silverback Films for BBC1 - 2023
Strictly Come Dancing winner Hamza Yassin returns to his first passion - birds of prey.

Wild Isles: Woodlands (Additional Editor)
Silverback Films for BBC - 2023
David Attenborough follows our woodlands throughout the year, showcasing their astonishing variety and unearthing incredible stories hidden amongst the trees

Saving Our Wild Isles: Hungry for Change / Banking on a Wilder Tomorrow (Editor)
Silverback Films for WWF, National Trust and RSPB - 2023
2x 20min award winning films commissioned by WWF, National Trust and RSPB released alongside the BBC's Wild Isles series. Aimed at the finance and agriculture communities, advocating for industry-wide change to protect the UK's wild spaces.

Our Planet II (Editor)
Silverback Films for Netflix - 2022
The sequel to Our Planet, with a focus on animal migration in a changing world.

The Earthshot Prize: Revive Our Ocean (Editor)

Studio Silverback for BBC1 - 2021

Prince William and Sir David Attenborough look at the inspiring solutions to revive our ocean.

Breaking Boundaries: The Science of Our Planet (Editor)

Silverback Films for Netflix - 2020-21

In this feature documentary David Attenborough and scientist Johan Rockström examine Earth's biodiversity collapse and how this crisis can still be averted. Available on Netflix.
