

TIM CRAWLEY

Shooting PD & Editor

I'm a Shooting PD & Editor with experience in development, sizzle cutting, pitching & edit producing. I've directed, shot & cut a number of groundbreaking docs for VICE, BBC3, Warner, VICE News, Amazon Prime & iplayer among other platforms, while also shooting primetime shows for Channel 4 and reality shows for the US market. From cutting a 30 min doc for Warner Music to editing and delivering over 100 social assets for John Lewis, I am an experienced editor with a variety of genres under my belt. I also cut seasonal reels, mini docs and sizzles for Birkenstock, Vans and SOPH. I camera operated on 'Ogmios School of Zen Motoring' for BBC3 which picked up a Broadcast Digital Award (2022) for best shortform scripted show.
